

Discovery Program @ Northeast Elementary

WHAT IS DISCOVERY?

- *Discovery is a Therapeutic Preschool Program that focuses on Social and Emotional development in a classroom setting.*

IS DISCOVERY THE SAME AS AN ACADEMIC PRESCHOOL PROGRAM?

- *No. Though we may use letters, numbers or other age-appropriate tools within a classroom, we are not focused on academics and are instead a mental health support to help Preschoolers learn how to regulate their emotions.*

CAN MY CHILD BE ENROLLED IN PRESCHOOL AND DISCOVERY?

- *Yes! We are partnered with USD 246 to serve Preschoolers together, under one roof!*

HOW DO I SIGN MY CHILD UP FOR DISCOVERY?

- *Call our FACT building at 620-232-3228 to get on the schedule! We have a therapist who will be in the building weekly to complete Intakes, Treatment Plans, and Enrollments into Discovery. A Case Manager will be on site daily.*

WHAT IS THE SCHEDULE FOR DISCOVERY?

- *Discovery will mirror the Preschool schedule already in place for USD 246. We will offer both A.M. and P.M. groups. Breakfast, lunch, snacks, and transportation will be provided by the district!*

Interested in signing-up for mental health services for your child but have questions first? reach out to:
