www.crawfordmentalhealth.org

Crawford County Mental Health Center is taking applications for a **full-time Case Manager**. This position provides support services to severe and persistent mentally ill (SPMI) adults one-to-one in the community.

Position requires a bachelor's degree in a human services field of study and/or relevant experience may be substituted for degree requirement. Must have a valid driver's license and ability to move freely around the community. Must be able to meet productivity standards and documentation requirements. This position involves assisting with reintegrating adults into the community, providing support, role modeling, advocacy, connecting to resources, collaboration with community partners, promoting independent living, and providing transportation as needed.

Salary and benefits package starting at \$35,000. Benefits package includes participation in KPERS Retirement System, health, dental, and life insurance.

Position open until filled. EOE
