FAQs

IS DISCOVERY THE SAME AS AN ACADEMIC PRESCHOOL PROGRAM?

No. Though we may use letters, numbers or other age-appropriate tools within a classroom, we are not focused on academics and are instead a mental health support to help preschoolers learn how to regulate their emotions.

CAN MY CHILD BE ENROLLED IN PRESCHOOL AND DISCOVERY?

Yes! Crawford County Mental Health Center is partnered with USD 246 to serve preschoolers together under one roof.

HOW DO I SIGN MY CHILD UP FOR DISCOVERY?

Call [620-232-3228](tel:620-232-3228) to get on the schedule! A qualified therapist is onsite weekly to complete intakes, treatment plans, and enrollments into Discovery. A Case Manager is on site daily.

WHAT IS THE SCHEDULE FOR DISCOVERY?

Discovery mirrors the preschool schedule already in place for USD 246. **We offer group times of 7:45-11:00 a.m. and 11:45-3:00 p.m.** Breakfast, lunch, snacks, and transportation are provided by the district!
