Crawford County Mental Health Center is taking applications for a full-time **Registered Nurse** for our Crisis Intervention Center. The primary duty of this position is to provide high-quality care to patients with acute and chronic psychiatric conditions.

Qualifications:

- Registered Nurse with a valid license in the State of Kansas
- Minimum of 2 years' experience as a licensed practical nursing, preferred
- Basic Life Support (BLS)
- Experience with trauma-informed care and de-escalation techniques required
- Strong commitment to patient-centered care
- Excellent communication skills
- The ability to collaborate with a multidisciplinary team

Essential Job functions:

- Conduct thorough assessments of patients' physical and mental health needs, including initial evaluations and ongoing monitoring. This will include utilization of detox assessments for those who experience substance withdrawal.
- Provide education and support to patients and their families on mental health topics, self-care strategies, and community resources.
- Collaborate with other healthcare professionals to ensure comprehensive care and effective communication. This may include after-hours call to the healthcare team.
- Maintain accurate and detailed records of patient progress and treatment plans.
- Collect lab specimens per medical provider order.

Required Skills/Abilities:

- Obtain Certification for Management of Aggressive Behavior (MOAB) training. MOAB is an in-depth training program that teaches individuals how to recognize, reduce, and manage violent and aggressive behavior. Training provided.
 - MOAB training requires controlled movements, body positioning, and the ability to perform physical holds and restraint techniques.
 - The focus of MOAB training is to use techniques that can be effectively applied by employees of varying physical capabilities while minimizing potential harm to both the individual being restrained and the trained themselves.

Physical Requirements:

- Be able to get on the floor rise without assistance

- Have full mobility in both arms and shoulders
- Prolonged periods of standing and walking
