Crawford County Mental Health Center is now accepting applications for a **full-time Qualified Mental Health Professional (QMHP)**. The position will be responsible for the assessment of behavioral health disorders, development of treatment plans and interventions, crisis intervention and safety planning for high-risk clients, and facilitation of groups as needed. The applicant must be a Licensed Mental Health Professional in the State of Kansas. Preferred licensure includes LMSW/LSCSW, LPC/LCPC, LMFT/LCMFT, or LMLP/LCP.

This position will work as part of the Access Team to provide timely and clinically sound mental health, SUD, and crisis assessments to determine appropriate recommended services and levels of care. Ideal applicants would demonstrate strengths in paying attention to detail, sound judgment, and the ability to be flexible and work within multidisciplinary teams and systems.

This position requires Certification for Management of Aggressive Behavior (MOAB) training. MOAB is an in-depth training program that teaches individuals how to recognize, reduce, and manage violent and aggressive behavior. Training provided.

- MOAB training requires controlled movements, body positioning, and the ability to perform physical holds and restraint techniques.
- The focus of MOAB training is to use techniques that can be effectively applied by employees of varying physical capabilities while minimizing potential harm to both the individual being restrained and the trained themselves.

Physical Requirements:

- Be able to get on the floor and rise without assistance
- Have full mobility in both arms and shoulders
- Prolonged periods of standing and walking

Salary and benefits package starting at \$68,500, a sign-on bonus of \$2,500, and relocation allowance available. Benefits package includes participation in KPERS Retirement System, health, dental, and life insurance. Crawford County Mental Health Center is a National Health Service Corp Approved Site offering loan repayment opportunities to those employed, if/once they have obtained their clinical licensure.

Position open until filled.
