

Dr. Jeffrey Burch, LP, Psy.D

Director of Behavioral Justice Services

"My 'why'—and the reason I feel drawn to working with those in the criminal justice system—is to help the most vulnerable and ensure they feel seen, no matter where they are. As a Behavioral Justice Team, our job is to believe in people until they can believe in themselves."

About

Dr. Jeffrey Burch, Psy.D, started at Crawford County Mental Health Center in February of 2023 and serves as the Director of Behavioral Justice. The Behavioral Justice program includes providing services at the Crawford County Jail, 11th Judicial District Recovery Court and Pittsburg Municipal Court; conducting Competency to Stand Trial Evaluations and providing Competency Restoration services.

Dr. Burch also heads the Psychological Testing Department.

Prior to coming to Crawford County Mental Health, Dr. Burch worked as a clinical psychologist at Ascension Via Christi Hospital for over 16 years and prior to that, at Pawnee Mental Health for 1.5 years. He completed his predoctoral internship at Interfaith Medical Center in Brooklyn, New York.
