NEARLY 1,200

2025 attendees

27

community vendors

110,000+

verified event impressions

58,000+

costume contest impressions

Dear Community Partner,

Crawford County Mental Health Center invites your business or organization to help make the 8th Annual Trunk-Or-Treatment possible. This free indoor event brings families together for a safe Halloween experience while connecting them with health, wellness and community resources available throughout our area.

In 2025, Trunk-Or-Treatment welcomed more than 700 children and nearly 1,200 total attendees, making it our largest event to date. Twenty-seven community organizations participated, and sponsor-inclusive promotion generated over 110,000 verified impressions through social media, streaming, and school outreach. This number does not include any print media or television outreach.

Your sponsorship helps keep the event free. Support helps cover family activities, event supplies, promotion and improvements designed to make the experience more engaging and easier for families to navigate. For 2026, we are also introducing exclusive sponsorship opportunities connected to our Costume Contest, and a brand new Calm & Grounding Zone and Official Family Resource Guide.

Sponsorship and vendor participation are separate opportunities. Organizations are welcome to participate as free vendors whether or not they become sponsors, and the enclosed form includes a place to indicate interest in both.

Please review the enclosed sponsorship opportunities and return your commitment by Monday, September 21, 2026. Exclusive sponsorships are limited and will be confirmed on a first-committed basis. Free vendor registration will close on Monday, October 19, 2026, though late entries will be considered based on the space available.

Thank you for considering an investment in an event that brings local families, businesses and service organizations together. We would be proud to recognize your support as part of Trunk-Or-Treatment 2026.

Sincerely,

David Bradbury
